

## Internal & External Vacancy Advertisement

**ActionAid Tanzania is an anti-poverty agency working to end poverty and injustice.**

*“Qualified young women candidates are highly encouraged to apply for this position”.*

ActionAid Tanzania (AATZ) is an affiliate member of the ActionAid International Federation, a global force working with women, men, and children living in poverty and exclusion to find solutions to alleviate poverty and injustice. AATZ has been operating in Tanzania since 1998 as a cross-border initiative by ActionAid Kenya and later transformed into a full-fledged Country Program in 2000. We started our operations in Zanzibar in year 2001. Since then, we have rolled out four country strategy papers that have contributed to the overall development of the country. AATZ is registered in the Tanzania Mainland and complied with the Zanzibar Society Act no 6 of 1995. AATZ is represented at the ActionAid International Assembly.

Currently, the organization is looking for a qualified, experienced, and self-motivated young person to fill in the following vacant position:

**Job Title:** Climate Justice and Disaster Preparedness Inspirator

**Workstation:** Kasulu district, Kigoma Region

**Reports to:** Program and Partnership Manager.

Duration of placement: 11 month

**Job Role:**

- The purpose of this placement is to strengthen the capacity of the partners, young people, and communities in the area of Climate Justice, humanitarian, and Disaster Preparedness.

**Key Responsibilities**

- Build capacity of partners, young people and communities on green development models and green jobs
